How Long By JR

How long will it take for you to realize the truth for you to see  
what I've been through for you to understand the deception

How long will it take for you to begin to regret for you to wish for  
the ability to turn back time for you to want to undo the day you  
first met me

How long will it take for you to start to hate me for you to see I'm  
unloveable for you to discover all of the truth

How long will it take for you to finish the puzzle for you to see how  
the pieces all fit together for you to comprehend all of my past

How long will it take for me to make up excuses for me to formulate  
more lies for me to explain how I never wanted you to find out

How long will it take? I only wish I knew.
